

TRAINING OF DOG EXPERTS AND SNIFFER DOGS

№	Topics	Educational hours according to the plan					Chair
		Total amount of hours	including				
			Theoretical Studies	Practical studies	Group studies	Test	
CHAPTER 1. THEORETICAL PRINCIPLES OF TRAINING							
1.1	Training and its meaning. Dog's behavior.	1	1	-	-	-	Main division of the Commander of the Interior troops
1.2	Unconditional reflexes. Instincts.	1	1	-	-	-	Main division of the Commander of the Interior troops
1.3	Conditional reflexes. The conditions of formation of conditional reflexes.	2	2	-	-	-	Main division of the Commander of the Interior troops
1.4	The main reactions of dog's behavior, definition of the main reaction.	2	2	-	-	-	Main division of the Commander of the Interior troops
1.5	The types of higher nervous activity of dogs.	2	2	-	-	-	Main division of the Commander of the Interior troops
1.6	The irritants used in training of dogs. Requirements for the trainer and trainer's assistant, and their role in training dogs.	2	2	-	-	-	Main division of the Commander of the Interior troops
1.7	The main methods of training.	2	2	-	-	-	Main division of the Commander of the Interior troops

1.8	The importance of external and internal factors in the training of dogs. Conditions affecting the actions of dogs.	2	2	-	-	-	Main division of the Commander of the Interior troops
1.9	Basic mistakes of trainer, unwanted communication, reasons for their appearance, ways of preventing and eliminating. The technology of training	2	2	-	-	-	Main division of the Commander of the Interior troops
	Total:	16	16	-	-	-	

CHAPTER 2. TRAINING TECHNIQUE

2.1	Essence, theoretical analysis and technique development methods: movement of the dog along with the trainer, switching to free stance, approaching the trainer.	1	-	1	-	-	Main division of the Commander of the Interior troops
2.2	Essence, theoretical analysis and technique development methods: sit, lie down, stand.	1	-	1	-	-	Main division of the Commander of the Interior troops
2.3	Essence, theoretical analysis and technique development methods: barking command, overcoming obstacles, crawling.	1	-	1	-	-	Main division of the Commander of the Interior troops
2.4	Essence, theoretical analysis and technique development methods: unwanted actions cessation, rejecting the food from outside persons.	1	-	1	-	-	Main division of the Commander of the Interior troops
2.5	Essence, theoretical analysis and technique development methods: bringing objects, overcoming fear of gunshots and explosions.	1	-	1	-	-	Main division of the Commander of the Interior troops
2.6	Essence, theoretical analysis and technique development method of searching for explosives in buildings (rooms).	1	-	1	-	-	Main division of the Commander of the Interior troops
2.7	Essence, theoretical analysis and technique development method of searching for explosives in transport (plane, carriage, car).	1	-	1	-	-	Main division of the Commander of the Interior troops
2.8	Essence, theoretical analysis and technique development method of searching for explosives in luggage.	1	-	1	-	-	Main division of the Commander of the Interior troops
2.9	Essence, theoretical analysis and technique development method of	1	-	1	-	-	Main division of the Commander

	searching for explosives in open spaces (roads).						of the Interior troops
2.10	Essence, theoretical analysis and technique development method of searching for explosives on a person.	1	-	1	-	-	Main division of the Commander of the Interior troops
	Total:	10	-	10	-	-	
CHAPTER 3. DOGS TRAINING (PRACTICAL COURSE)							
3.1	Training of dog to move along with the trainer, switching to free stance, approaching the trainer.	30	-	30	-	-	Main division of the Commander of the Interior troops
3.2	Teaching the dog to lie down, sit, stand.	29	-	29	-	-	Main division of the Commander of the Interior troops
3.3	Training of dog to bark. (“Speak” command).	3	-	3	-	-	Main division of the Commander of the Interior troops
3.4	Training of dog to bring objects.	12	-	12	-	-	Main division of the Commander of the Interior troops
3.5	Training of dog to overcome obstacles.	20	-	20	-	-	Main division of the Commander of the Interior troops
3.6	Training the dog to cease unwanted actions.	4	-	4	-	-	Main division of the Commander of the Interior troops
3.7	Training of dog to reject the food given from strangers.	4	-	4	-	-	Main division of the Commander of the Interior troops
3.8	Training of dog to behave indifferently when facing gunshots and explosions.	4	-	4	-	-	Main division of the Commander of the Interior troops
3.9	Teaching the dogs to find explosives in building (room).	70	-	70	-	-	Main division of the Commander of the Interior troops
3.10	Teaching the dogs to find explosives in vehicles (plane, carriage, car).	70	-	70	-	-	Main division of the Commander

							of the Interior troops
3.11	Teaching the dogs to find explosives in luggage.	70	-	70	-	-	Main division of the Commander of the Interior troops
3.12	Teaching the dogs to find explosives in open area (on road).	70	-	70	-	-	Main division of the Commander of the Interior troops
3.13	Teaching the dogs to find explosives on a person.	70	-	70	-	-	Main division of the Commander of the Interior troops
	Total:	456	-	456	-	-	
CHAPTER 4. TACTICS OF USAGE OF SEARCH DOGS							
4.1	Major races of dogs, used to search the explosives.	2	-	-	2	-	Main division of the Commander of the Interior troops
4.2	The order and rules of conducting testing of utility of service dogs to pass the preparation course for search of explosives.	2	-	-	2	-	Main division of the Commander of the Interior troops
4.3	World experience (the results) of usage of service dogs for search of explosives.	2	-	-	2	-	Main division of the Commander of the Interior troops
4.4	Tactics of using of search dogs for the search of explosives. Main methods of conducting search activities.	2	-	-	2	-	Main division of the Commander of the Interior troops
	Total:	8	-	-	8	-	
	Test	-	-	-	-	6	
	Total amount of hours:	496	16	456	8	6
